EXPERIENCE

SOCIAL MEDIA EVALUATOR @ APPEN

2018 Oct – 2019 March

I could secure a part time job as a social media evaluator. My task was to evaluate the contents which are written in Burmese language so that the AI can learn by the evaluated content.

EDUCATION

UNIVERSITY OF COMPUTER STUDIES YANGON

2017 Dec – 2019 March

I enrolled at UCSY and studied there for two years. However, I made the decision to leave the public university and instead pursue a bachelor's degree from a local private university in the UK.

PEARSON EDUCATION | GUSTO UNIVERSITY

2019 July – 2022 April

I completed the Level 4 & 5 Diploma in Software Engineering at Gusto University, which is a prestigious institution in partnership with Pearson Education from the UK.

UNIVERSITY OF GREENWICH | KMD INSTITUTES

2022 July – 2023 April

After careful consideration, I have made the exciting decision to pursue my Bachelor's degree in Computing at the University of Greenwich through KMD institutes in Myanmar.

VOLUNTEER EXPERIENCE OR LEADERSHIP

GUSTO SPORT EVENT ORGANIZER

2019 Oct – 2022 April

I played an integral role in the organizing team at Gusto University, where I made significant contributions to the planning and execution of various sports events. Through effective collaboration with all team members, we successfully celebrated two consecutive years of remarkable sports events in both 2019 and 2020.
